LET YOUR CHILD BE A PART OF THE FUN TODAY!

chess is a powerful way to learn

Develop your child's intellect through the royal game of chess!

Research has shown chess enhances cognitive development in children, improves math and verbal skills, and increases all levels of academic performance. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity.

Whether your child plays already, or wants to start, our classes cater to all levels of chess ability
